

## CAMPUS SPECIFICATIONS SOLUTIONS

Lumecon has successfully partnered with School Districts, Private & Public Universities, Colleges and Higher Learning institutions of all sizes. We have vast experience over the past 17 years in manufacturing and providing made-in-the-USA LED Lighting Fixtures for nearly any application. We start with project design, at no cost, to make sure even the most challenging performance criteria is going to be met. We are well versed in current Municipal Standards, IES Recommended Practices, and will ensure the correct light and output for each application.

We are confident we can deliver the best LED solution on the market today to fit your needs. We know what the job requires and will deliver a quality project, with a priority to exceptional service after the sale. Our customers demand it.
